Dear Miss Mason.

I have only
not resigned my post
as Hon: Sec: of the

Bulgrave Branch

because all our
members (but one or
two) are out of town

11P2pneu36
This will not in
any way affect
the winter's work
of the Y Branch - as
we used to find it
impossible to have
any meetings before
the end of November.

11P3pneu36
I will call a ~~Meeting~~
early in October.
For me to stay in the Union & work
in the ~~Y~~ Branch would be in
almost impossible
position for me to hold
as ~~it~~ would surely be undesirable
to continue to spread
the principle of the
"New Education" as
those of the Union
when I had been
obliged to withdraw

from the Centre on
account of those principles!

I could not think
that if I were to do
so, I could do any
good work - my
whole soul is burning
with the enthusiasm
that comes from
gratitude to the "New
Education" principles.
They seem to me

be a gospel that
is of the widest
importance to the
welfare of the country.

I could not work
freely when I knew
the Centre, from
which I ought to get
guidance & help,
was holding opinions

I have not been working on

the same lines as the

have held my views
strongly for a long time
(I wrote a large part of my
pamphlet in the Spring of '93)
& I can see no reason
why they shd. not be
considered right for
a Branch & not for the
Centre. They rest on
such a broad basis
that plenty of room is
left for modern adoption
& details of individual
working. Yours truly
I shall all along bear
my remind you that you omitted
